

ILA-LPM Sample Study Manual

You have downloaded a sample of our ILA-LPM detailed study manual. The full version covers the entire syllabus and is included with the online seminar.

Each portion of the detailed study manual is available in PDF with a clickable table of contents. Each reading (and sub-chapters if applicable) are also bookmarked in the PDF for ease of navigation in your favorite desktop, tablet, or smartphone PDF viewer.

Though not shown in the sample material, we also offer a highly condensed version of the detailed study manual (the “condensed outline” mentioned in the product description). The condensed outline is in the same format as the detailed study manual.

If you have additional questions about the detailed study manual or any aspect of the exam, please email me.
